

# South Carolina Swim Club

## CHARLESTON

The newly formed South Carolina Swim Club of Charleston is thrilled to introduce Pam Swander as its new Head Coach and Club Director. Swander comes to the Charleston area from [SwimMAC Carolina](#) in Charlotte, one of the Nation's most successful swim clubs. Since 2010, she has been responsible for the leadership and administration of SwimMAC's Northern Region programming, including the competitive team, junior team and an extensive swim lesson program. She was the lead coach of the North Senior Division, coaching many of the country's top teenagers and worked closely with [SwimMAC CEO and U.S. Olympic Team Head Coach, David Marsh](#) and all SwimMAC coaches to create a cohesive team education and training strategy for all level swimmers.

*"Pam is a much better person than she is a swim coach – and she is a phenomenal swim coach and team administrator."*  
~David Marsh, SwimMAC CEO & US Olympic Head Coach

Swander has an extensive coaching resume that spans more than thirty years. Her career includes founding and managing a swim club, establishing Swim America programs, coaching at the high school, age group, senior and collegiate levels, and recruiting for and running prestigious summer swim camps. Prior to SwimMAC, Pam was the Associate Head Coach at the University of Indiana and an assistant coach for the Clemson Tigers. She has served as the Director of USA Swimming's Select Camp, Vice Chair of Hospitality on the U.S. Olympic Trials Committee, and the Indiana Swimming Delegate at the USA Swimming National Convention. Her achievements were recognized in 2011 with an induction into the Delaware County (Muncie, Ind.) Athletic Hall of Fame, and she was the keynote speaker at the 2014 Women in Coaching Clinic in Stanford, California. Swander is a Level Five [ASCA certified coach](#), the highest attainable level.

Pam is married to Jeff Swander and their two children, Laura and Kevin, became top swimmers at Auburn University and Indiana University, respectively. Kevin is currently an assistant swimming coach for the University of South Carolina. The entire Swander squad is very excited to now call Charleston home.

*"I am thrilled to have the opportunity to move to the Charleston area to join one of the country's up-and-coming programs. I have had a remarkable and successful journey with SwimMAC that has made this new opportunity possible. I'm looking forward to joining the quality coaching staff, families, and swimmers at this club and working with everyone to build a championship program in Charleston"*  
~Coach Pam
